What's Hairy Scary?

Just go to the far edges of your imagination and you'll see a world like no other.

Really! No Kidding with a capital "K"!

Willow & **Constance** are just your ordinary Hairy & Scary kids having adventures in an "extra-ordinary" world. In pure Hairy style, Willow greets each day with enthusiasm. Constance, true to her Scary roots, loves having a plan and sticking to the rules. And of course, throwing a wrench in the works, is none other than their scheming classmate, **Junior**, who just enjoys making life spicy for Willow in order to get closer to his beloved Constance — (sigh).

There's never a bad-hair day on the Hairy Scary Planet. Between the kids, pet **Boolus**, toy **Niak-Niaks**, and out-of-control inventions, every viewer will be wondering: could it get any stranger?
