THE Small GIANT

Emily is an 8-year-old city girl who dreams to grow faster. Whereas she leaves for the first time alone for a summer camp, she ends up in an enchanted land where stones speak, fishes are luminescent, and where her nicknamed Kinoobi backpack, a panda with straps, is alive! And above all Emily's wish has been taken at face value: she is now three metres tall! She will discover with the young village boy Elmer the daily rural life of this strange and gorgeous valley: there will be perilous expeditions, stories of shaman, of sacred turtles and giant crabs... In that extraordinary setting, Emily will have an absolutely magical summer vacation, and above all she will go through "big" adventures!
