## GF ROCKS THE STADIUM

Play and inter-relationship play to hold you captivated!

You've watched a football match, but have you ever seen it played with a mystic flux force? Aliens, Wambas, Xenons, Technoids and boys & girls all compete in this ultimate sci-fi sports special and play the kind of football kids can only dream of.

One team of assortment of players, the Snow Kids, has its own secret weapon player, cool girls, dynamo striker and a pair of goofy dudes who make it all look so easy.

Football, mesmerizing play and teen drama, coupled with amazing planets, high-tech playgrounds and scary enemies all makes the series a compelling watch.

The information contained herein is a true and accurate representation of the story and credits at the time of printing. Material is subject to change.
